I have a high sex drive and today I'm bored out of my mind. I've masturbated two times since I got up this morning, but I'm still so incredibly horny. That's when I looked out the window and saw my pool man hard at work.

## RIDING THE RAILS

My bald tires kicked up dust as I wheeled to the side of the road. I killed the engine and grabbed the canvas gym bag from the passenger seat.

The cops were in hot pursuit. I couldn't see them, but I could sure hear them. Their sirens screamed and wailed, getting louder and louder as I slid out from behind the wheel and fled on foot.

I had just robbed a bank.

Now I was running for my life . . .

Bag in hand, my heart thumping crazily, I risked a glance over my shoulder and saw two patrol cars turn the corner. And these weren't local yokel lawmen. These were sheriff's deputies. They would be loaded for bear and more than willing to pull the trigger.

After all, I was armed and dangerous. That bitch of a teller had activated the silent alarm had stared down the business end of my .45.

I plunged through the woods in a blind panic. The ground was soft and rutted. I tripped several times, yet managed to stay on my feet. The sirens had ceased, only to be replaced by the baying of a bloodhound.

**Tanya, Jillian and Abby sizzle...**

Did you guys really think you could fool me into thinking that Tanya is fifty years old. If she is, I want some of those vitamins. Did you think that for one minute, I was going to buy your magazine because she's so fucking hot, and write a letter to you saying so? Do you think that just because she's in a sizzling threeway with a couple of really hot babes, that that's enough to turn me on? Did you think that just because they licked and fucked each other that it would turn me on? Do you think the other models in the issue make this issue worth the price? Do you really think that just because you tell me on the cover that the models in the magazine are in free hardcore videos that I'm going to watch those fuck - for free? Well, do you?

— **Colin K., the Bronx, NY**

*Ed: Yes, yes, we do.*

And another sound coming from deeper in the woods, the rhythmic clattering of wheels rolling along a railway track!

My spirits buoyed, I raised my knees and pumped my arms. It was a long shot. But I had to try. The train was my only chance.

Gasping for air, I reached the clearing and saw it.

Mismatched boxcars rode the rails. Some of them were open, allowing me to see inside the empty, cavernous compartments. Hoping against hope, I took off across the clearing, running faster than any fifty-year-old man had a right to.

By this time the baying had gotten louder. The bloodhound was closing in. I saw the deputies in my mind's eye—a pair of square-jawed, shotgun-totting ex-Marines itching to fill me full of lead.

The distressing image provided just enough of a spark to propel me off the ground and into an open boxcar. I flew threw the air, hitting the floor with a jarring thud, rolling, limbs flailing, the slow-moving train vibrating beneath my twisted body.

Through it all my hand maintained its iron grip on the gym bag.

I was sitting on the floor

and counting the money when I realized that I wasn't alone. Someone stirred in the darkened corner of the boxcar. I put the money away, zippered the bag, and freed the .45 from my waistband.

"Who's there?" I barked.

Stretching and yawning, she came out of the corner and into the light streaming through the open hatchway. "I'm Juniper. Where the hell did you come from? And what's with the gun?"

Staring at her, I felt foolish for having pulled my piece. She was a cross between a hippie and a hobo. A harmless runaway . . .

"Sorry," I told her, tucking the gun back in place.

"It's cool, man. Some really crazy people ride the rails. You can't be too careful nowadays."

Crazy people, I mused. Does that include bank robbers?

"Want a drink?" Juniper asked. "I've got a bottle of wine in my rucksack . . ."

It had been a stressful day. A drink would do me a world of good. "I'd love one."

We sat there, sharing the bottle and getting fairly blotto. It was vile stuff, cheap bum wine. Still, it did the trick. I wasn't feeling any pain, much less worried about being caught, when Juniper surprised the hell out of me.

"You want me to suck your dick?"

I searched her face. "How old are you?"

"Old enough," she said.

"That's not much of an answer."

"I'm eighteen."

"Good enough for me," I told her. "Knock yourself

out, Juniper . . ."

Her oral skills were top-notch. She pumped her head up and down, polishing my pole with sloppy enthusiasm.

Wow, I thought. Talk about luck! I had definitely chosen the right boxcar!

Juniper came up for air; her lips glistened with saliva. "Lie down," she said. "It's been a long time since I've ridden a big hard cock."

I used her rucksack for a pillow. Juniper's meager belongings provided a nice cushion for my head as I lay there watching her undress. Having discarded her filthy, threadbare clothes, she straddled me and lowered her scrawny hips.

My stiff rod slipped right in, filling every inch of her hairy twat. She moved rhythmically, rocking and riding me slowly. But it wasn't long before she upped the pace, her motion becoming faster, harder,

more and more urgent, before finally reaching a frenzied pitch.

Bucking like a cowgirl possessed, her pussy clenching my stiff member, she threw her head back. "Oh yeah! I'm coming! I'm fucking coming!"

Her outburst heralded my own as I emptied my ball bag inside her. And that's the last thing I remember before the exhausting day finally caught up with me.

Snuggling with Juniper, I conked out right there on the boxcar floor.

When I came to it was almost dusk. Juniper was gone. And so was my gym bag! The little sneak had taken my money and jumped ship! I felt like the biggest fool in the world.

The train rolled on. I had no idea where it was heading. But I still had my gun. And the next town would surely have a bank. And like they say—if at first

you don't succeed, try and try again!

— *Call me Boxcar Dick*

## SOMETHING IN THE WATER

The scenery was strictly Hicksville, flat farmland squeezing a rural highway for as long as the eye could see. Hands gripping the wheel, I yawned for the umpteenth time since leaving the city early that morning.

Mine was a lousy assignment.

Mr. Braddock, managing editor of the state's largest newspaper, had really stuck it to me with this one. The man hated my guts. Truth be known, he was hoping to get rid of me, trying his damndest to make me quit by giving me the crappiest of stories.

I was to write a human interest piece about some old biddy and her prize-winning watermelons. Talk about a kick in the nuts! Just last May I had graduated from one of the top Journalism schools in the country. And now I was doing this.

It was hotter than Hades. My air conditioner was on its last leg, to say nothing of my fifteen-year-old car. The story was due at midnight. Tomorrow was Independence Day, and Braddock wanted to run it with the usual coverage of family picnics, fun runs and fireworks displays.

"Shit," I grumbled, scowling at the dull topography.

I should've taken my father's advice, should've gone to dental school instead of pursuing my crazy dream of becoming a Pulitzer Prize-

---

winning writer . . .

Glenda Gladstone, a seentyish widow who walked with a cane, had shown me around her modest spread, concluding the tour at her famous melon patch. I had taken some choice photos before joining her inside to conduct the interview.

Now, having gotten all of the information I needed to write the story, I switched off my recorder and thanked her for her hospitality. "It was a real pleasure, Ms. Gladstone. You've been most kind . . ."

"You said the story will be in tomorrow's paper?" she asked me.

"Yes, ma'am," I assured her. "I'm going to write it as soon as I get back to the office."

"Bless your heart. You're certainly an industrious young man. This world would be a much better place if there were more people like—"

Ms. Gladstone was interrupted by the sound of tires on gravel; this and the blaring of an automotive stereo.

"I believe you have company," I stated the obvious.

"That would be Harley and Heather." She shuffled to the door with her cane. "They help out around here."

Harley and Heather were friends, the former a brown-eyed brunette, the latter a blue-eyed blonde. They had just graduated from the local high school. At the end of the summer, Ms. Gladstone informed me, both girls would be departing for basic training.

They dressed similarly, both decked out in sneakers sans socks, cut off denim shorts, and matching hal-

ter tops which struggled to contain their gigantic jugs.

"Mr. Honeycutt is writing a story about my melons."

"Cool," Heather said.

"Neat," Harley added.

"Well," I said after a lengthy silence, "I better hit the road. It was nice meeting you all . . ."

Ms. Gladstone went inside. I had almost reached my car when the girls bounded down the porch steps and asked me if I would be willing to help them with the bales of hay in the bed of Heather's pickup truck.

"We usually do it ourselves," Heather said to me. "But since you're here . . ."

Despite being pressed for time, I agreed to help them. And let me tell you—it was the best decision of my life!

No sooner had we deposited the last bale inside Ms. Gladstone's barn than Harley closed the big wood-

en door and regarded me with a naughty smile.

"Playtime," she announced, pulling the halter over her head and dropping it on the floor.

"Surprised, Mr. Honeycutt?" Harley said. "Well, you shouldn't be. Harley and I get bored living way out here in the sticks. A hot guy like you is a rare thing. You didn't think we were going to let you get away without having some fun?"

Moments later, having gotten a blowjob from the both of them, I bent Heather over a waist-high stack of hay bales and plunged my cock into her tight pussy. Her ass was soft, yet sturdy, withstanding each and every one of my forceful thrusts. I fucked her good, you bet, ramming my rod with everything I had.

Meanwhile Harley sat atop a single bale, her long legs spread wide, and played with her cunt. Hers, like Heather's, was shaved.

Watching Harley masturbate heightened my excitement; I pounded her friend harder and faster, making her ass jiggle with each jab.

By the time I pulled out Harley had four fingers inside her gaping twat. She pumped her hand in and out, moaning and groaning, while she used the other to massage her mammoth tits.

"Get over here," she said to me, "and stick that big fat cock in my mouth. I want to taste Heather's cunt."

I hastened over and stood there, waving my schlong in her face as she knelt before me. Harley's earlier blowjob had been good. But this one was even better. Clearly she loved the flavor of her friend's pussy.

Placing my hands atop her head, I fucked her face, burying my stiff prick in her warm mouth, my swollen glans pressing against the back of her throat.

Finally I withdrew; my engorged member was on the verge of a serious explosion. I thought about coming in Harley's face, then changed my mind, opting for her tits instead. Not to be deprived, Heather came over. I gave her the same treatment, filling her massive cleavage with the remainder of my load.

I drove back to the city, grabbed a cup of coffee and a sandwich, and belted out my story. Thankfully Mr. Braddock had already gone home for the day. Sitting there in the newsroom, tired yet fulfilled from a job well done, I thought about my wild day in the country.

Ms. Gladstone had some enormous melons.

Harley and Heather, too.

For me, there are no limits when it comes to sex.

There's nothing that I haven't tried that's legal. If you or someone can think of something new, I'll try that, too. But for now, this is what's on the sexual menu.

B05-BLAIR

You'll never guess what Jara got on her 58th birthday. It's blue, cylindrical and is a whole lot of fun to play with. Ok, that wasn't very subtle, was it? But what really matters is how much fun she is going to have with this.

# Jara

"I've never had a vibrator. It's only been my fingers, or my partner's fingers down there. I've seen them before, but never really thought about having one, or using one. Guess I'm going to find out what all the buzz is about."

*A chicken and an egg check in to a motel. They get busy, then kick back. The egg lights up a cigarette. The chicken says, 'Well that settles that.'*

# Motel Peeper

*FROM A HOLE IN THE WALL, A MOTEL MANAGER WITNESSED A WOMAN TURN INTO A RAGING DYNAMO OF LUST*

Her body strained toward him before the young man even put a hand on her, before he ever so much as kissed her. The sexual tension flowed from her in waves so heavy I could almost feel them from where I stood, watching in the adjacent room with my eyes focused through a hole in the wall.

From every pore in her body pulsed the message, “Fuck me. Fuck me!” There was no doubt he would; his fingers flew, sometimes fumbling in their haste as he pulled his clothes off. His eyes echoed the lust in hers. Why else had he so willingly allowed himself to be taken to a motel room? Sexual tension wasn’t the only kind of tension in the room, though. Maybe he couldn’t discern it, but I could.

I knew Sara Beth from high school. She knew I was the manager but I don’t think she would ever have allowed me to stow away in the closet. She was always a very private person who kept to herself. But at 35, she’s just at the peak of her sexual prime.

I never would have suspected the depths of passion that seethed in this quiet woman. Not even when she spoke to me did I get a clue. “Roger, I hope you can understand me,” she’d said. “I can’t go to anyone else.” Hearing that, I’d imagined all kinds of problems but none of them came anywhere close. “You know I’m married, right?” she said to me. I had known she was, though I’d suspected she was experiencing some marital difficulties.

“I love my husband,” she continued, but he is unable to satisfy me. And she began to cry. “I can’t seem to get

enough sex.” I put my arms around her and told her not to worry; that I understand and promised to keep it to myself. But in the back of my mind, I had other plans

A few days had gone by before Sara Beth showed up with another lucky stiff and checked into a room. I was almost salivating as I took my position and prepared to watch the show, so there I was in the closet. I had thought it would be kind of creepy, hiding in the closet and spying like that. But as I watched I began to feel another emotion. It almost made me forget the discomfort of crouching at the peephole, trying not to let the floorboards squeak, as

I watched this woman undress and prepare to get herself royally fucked.

Sara Beth’s catch of the day was a tall guy I’ll call Henry, with a pleasant smile and a very eager look upon his face. His build was muscular, but not overdone, and he looked strong enough to give her a good go of it. I could hardly wait to see what lie ahead.

They undressed and Sara Beth’s pale breasts appeared nearly translucent in the dim light. Her dark hair hung down to them in sharp contrast. Her arms looked thinner than ever and I couldn’t help thinking how delicate and fragile she looked. Yet her eyes were bright and shining, spreading the energy that surged through her body and Henry wasn’t blind to the message. I was relieved to see that despite her obvious eagerness he didn’t try to throw her down and enter her immediately. He put his arm around her and sat down on the bed with her. One big,

*She sat up again, put her hand on Henry's half-hardened mast and began to stroke it. Her motions were well practiced and they were heartfelt, and from the look that crossed Henry's eyes they were felt somewhere else.*

tanned hand rested on her slim leg. She turned to him and put her hands on his shoulders, pulled him to her, and devoured his mouth with hungry kisses.

It was the most voracious kissing I had ever seen or imagined. She pulled Henry closer to her as she kissed him, pressing her small, pale breasts against his hairy, tanned chest, and then rubbing her breasts against him so his chest hair tickled her pointed little nipples. The shiver that ran through her was visible. She wriggled in his embrace and pressed against him again. Henry stroked her shoulder with one hand, ran his hand down her arm, let it continue to her waist, then across her flat belly and down to her thigh. But it was Sara Beth who placed his hand on her moistened pussy.

Fingers began to work their magic, moving down and then in. Sara Beth shuddered and lay back, looking as if she might lose consciousness. Orgasm already? She sat up again, put her hand on Henry's half-hardened mast and began to stroke it. Her motions were well practiced and they were heartfelt, and from the look that crossed Henry's eyes they were felt somewhere else.

Before I could even see what had happened, Sara Beth's mouth had swooped down on Henry's fully erect cock and her lips were lushly wrapped around it. My eyes bulged, ready to pop out of my head. She pumped him like a milking machine, gobbling in all his meat till she was right down to the root as she toyed with his nipples. Henry appeared to have a healthy seven inches, and Sara Beth had captured all seven of them in her mouth. Inch by inch, she did a disappearing act that would rival any done by Houdini.

Then it appeared out of Sara Beth's mouth, little by little, wet and glistening from her spit, red and eager looking from the blood that was running throughout it. The skin was stretched over a pole hardened to its fullest. Henry groaned as Sara Beth voraciously gobbled it in again, making an animal noise, and pushed Henry down on the bed. No, not exactly pushed; she pinned him down and took his cock into her mouth with no protest from him. She held on to his ass with sharp fingernails as her head pistoned up and down. Her eyes sparkled, and then slowly closed till she was lost in her own world.

She had his balls in her hand now. Her eyes were closed, but she'd latched right on to them without fumbling. She was expertly manipulating them in her palm, rubbing and caressing them, and gently moving the contents within the sac. Henry's protests grew feebler, his movements grew stronger. He then came, an explosive orgasm that shook his entire body—arched his back, stiffened every part that

wasn't already stiff, and caused the stiffest part to shoot hot cream down Sara Beth's throat.

The expression on her face looked like she'd just won the lottery. She'd kept his dick in her mouth as it grew limp, then she finally released it, licking it clean so as not to miss a drop; and last of all she licked her lips.

"What about you?" Henry asked.

"I could wait till you get hard again," Sara Beth said. From her tone, that wasn't the first choice. Henry didn't

answer but waited for her to say something more. Instead of speaking she spread her legs, exposing her honey-coated mound to his view—and mine.

As her honey poured forth from her insides, Henry moved to lick it up. First, the thighs: He licked and lapped till they were clean and then moved on to the crevice where the thigh meets the womanhood; then the lips of her itself. Finally, his mouth was full upon her cunt, lapping up her juices. I knew, because the slurping sounds were as clear to me in the room next door as had very other groan, coo, moan and cry.

I was jerking my cock with a purpose, not realizing how long I'd been doing it as I watched those two naked bodies indulging in their illicit passion on the bed. I believe how hard my pulsing cock was getting.

It was only a matter of seconds before Sara Beth came. Quivering and quavering, grinding his head down against her cum-soaked flesh with all the force her hands could muster, and grinding up against him with her cunt, she grabbed one tan, hairy hand and placed it on her left

breast. Henry massaged the breast as she kept on coming, till I wondered if she would ever stop.

Sara Beth barely took time to catch her breath before she was all over Henry again, fondling his nipples, licking his balls, and kissing his totally limp dick. "Hey, what's this?" he asked.

"Don't you want more?" Sara Beth asked.

"Sure, but give me a break!" Henry pleaded. So she did. She continued to fondle his nipples and balls but left his cock alone. Instead, she applied her mouth sideways onto his, kissing softly at first, then harder, then more passionately. At first both their mouths were closed, but then I saw her tongue come into play. It snaked into Henry's mouth when he didn't expect it. He looked surprised but not displeased and after a minute he began reacting. He held her, then he kissed back, then he pressed his body against hers. Soon he began reacting elsewhere; his cock unfurled and stiffened, rising toward its full hardness.

Sara Beth didn't miss it. She ran a finger lightly down Henry's chest and belly, down to the root of his organ. "Ready?" she asked. Henry nodded, grabbed out for her and tussled with her briefly in what seemed like a wrestling match over position. Animal grunts and groans escaped from both their mouths. Sara Beth gained the upper position and plunged herself down onto the full length and hardness of his cock up her well-oiled pussy.

She rode him in a controlled frenzy, sometimes slowing down to brush her nipples against his chest hair and then shudder with the sensation that resulted; sometimes stopping to dip her finger in her own well and then pass it under his nose, causing his body to tremble as his passion came to the boiling point from the woman scent. Henry bucked below her, trying to move faster, but Sara Beth controlled him from above, slowing him down while her motions got sharper and she dug into him harder. Where had this small woman gotten so much strength from, and so much passion?

As I watched them, while trying to keep both my balance and my silence and gripping my overworked and unsatisfied shaft, Sara Beth came and came and came again. Her orgasms were earth shattering. She shuddered throughout her body, stiffened totally and relaxed a little. She allowed tiny shivers to pass through her and kept moving, only to come again in less than a minute.

She looked at him, frustration and annoyance crossing her face. Not that she stopped moving, but obviously she wasn't getting the same thing out of it. She put a hand under her to reinsert his cock, but apparently that didn't work. She humped herself on top of him to one more or-

gasm. She looked annoyed that Henry looked uncomfortable.

"Eat me!" she finally demanded. "It's the least you can do after failing to fulfill me, coming off before I was finished." Henry didn't look happy about the request or the implication.

"Gimme a break!" He looked worn out. She just looked at him and put his hand on her pussy. "Go wash off first," he said, withdrawing his hand, which was now totally

slicked from her gushing cunt. As she got up I could see the glistening on her pussy lips and down her legs. Then I closed my eyes and concentrated on getting myself off.

It wasn't easy. No matter how hot you are, getting off in a crouched position without moving and without making single sound is not easy. Then I heard Sara Beth's moans of ecstasy and saw Henry's head bent over her cunt. He moved away from her and she pushed his head back again. I watched as her hands kept his head there. I finally shot off; the relief was so badly needed that I had no way of keeping it to myself. She came too, and her cries drowned mine out. I heard her ask, "Will you let me suck you off again?" He was too drained to respond.

Before too long, Sara Beth got up from the bed and showered, readying herself for the return to her regular married routine. Then they left the room. I emerged from my observation point cautiously, and went back to work.

Later that night, looking back I remembered how Sara Beth had looked: so wild on the bed and how worked up I'd gotten from watching. I couldn't wait to see what lay ahead for me the next time she checked in.

# Brandi & Rebecca

I like to lay around by the pool and sunbathe with as little on as possible. Sometimes this becomes a problem for my nosey neighbors. But today, Rebecca showed up at my door wanting to give me a piece of her mind.

I listened for a while and we made amends.

She stayed a little bit longer and sooner than later we were kissing and feeling each other up. We ripped each other's clothes off and kissed some more before making passionate love.
